4Patriots offers three solar generator models with varying capacities to suit different needs: Patriot Power Generator 1500: This most portable option boasts a 1500-watt output, ideal for powering essential devices during outages or for occasional camping trips.

This generator is designed for emergency situations and can support multiple devices simultaneously, although some reviews express concerns about its relatively small battery capacity compared to its price.

In a blackout, the NEW Patriot Power Generator 2500X runs critical appliances -- even your fridge. You get more power, quadruple expandability and charge 2X faster with NEW DualForce Recharging Technology TM
