

Acura RDX Solar Mount

What makes Acura RDX special?

Perforated leather-trimmed seats in A-Spec -exclusive Orchid color with contrast stitching and piping are the perfect balance of premium and performance design. Acura Genuine Accessories are precision-crafted to seamlessly integrate into your lifestyle and take your RDX to new levels of personalization.

Does the Acura RDX have Android Auto?

The RDX does get an upgraded 10.2-inch display which features a new widescreen mode for Android Auto and Apple CarPlay. Unfortunately, it looks like you'll still need to navigate with that darn touchpad. If we're lucky, Acura at least made some tweaks to make it easier to use, but we'll have to wait until we get behind the wheel to know for sure.

Does the Acura RDX have a true touchpad?

Considering our previous experience with it, we're not thrilled about that, but hopefully Acura will find away to improve on the True Touchpad as it lives on. The RDX does get an upgraded 10.2-inch display which features a new widescreen mode for Android Auto and Apple CarPlay.

Which RDX trims get a new wheel design?

All RDX trims will get a new 19-inch wheel design in Berlina Black. However, the advance package gets Berlina Black wheels with a machined finish. If you step up to the A-Spec then you get a new 20-inch 10-spoke wheel design also in Shark Grey. The A-Spec with the Advance package gets exclusive machine finished Berlina Black dubs.
