

Advanced innergy solutions ltd Canada

What is advanced Innergy solutions?

Bringing together all products and solutions under one corporate name--'Advanced Innergy Solutions' (AIS), will make it easier to showcase all solutions and products under one umbrella brand. In the last three years, AIS has significantly increased its market share in new energy markets - offshore wind and more recently automotive.

Why is AIS called 'Innergy'?

AIS have always provided advanced solutions for their customers and the addition of the word 'Innergy' captures the innovative nature of their products and solutions for the energy sector.
