

Aiko solar New Caledonia

Who is Aiko solar?

AIKO is a world-leading new energy technology company that focuses on R&D and manufacturing of PV core products and integrated solutions for power generation, storage, usage, providing customers with solar cells, ABC (All Back Contact) modules and scenario-based solutions. Multi-application solutions to fulfill various solar energy demands.

Where is Aiko solar located?

Relying on independent creation and innovation, Aiko solar gradually masters the world-leading core technology in the PV industry and has obtained lots of national patents. Guangdong Aiko Solar Energy Technology Co., Ltd. is located at No. 69 Area C Sanshui Industrial Park, Foshan City Guangdong Province.

What are Aiko solar modules?

AIKO's second-generation solar modules for residential, C&I and utility-scale applications featuring higher power rate, unique partial shading optimization, high temperature restriction and micro-crack resistance.

What is Aiko smart energy?

AIKO's smart energy solutions integrate the philosophies of zero carbon, and craftsmanship to redefine energy for the modern era, allowing the construction of a greener, safer Carbon-Free city. Our Core Values Pursue Cutting-Edge Technology Redefine Photoelectric Efficiency and Quality Aesthetics Build Partnerships for [...]

Who is AC solar warehouse?

AC Solar Warehouse is an Australian and New Zealand Aiko Energy distributor/wholesaler with warehouses in Brisbane, Sydney, Melbourne, Adelaide, Perth, Cairns and Auckland. AC Solar Warehouse are experts in Aiko technologies with 100+ years of combined engineering experience in solar and storage.

What makes Aiko unique?

AIKO has established partnerships with leading suppliers, and all main equipment is tailor-made. AIKO integrates process/manufacturing tech with the industrial Internet, IoT, and AI, maintaining industry-leading output per capita.

AIKO is a global-leading new energy technology company, focusing on the R&D manufacturing of solar generation products and PV-Storage-Charging integrated solutions, providing customers with solar cells, ABC (All Back Contact) ...
