

Altestore com Chad

Hello Folks! I'm fortunate enough to be the Chief Geek here at altE, and I'd like to share with you a little bit about our new Solar Showcase. We've always wanted to be more than just a retailer. We've wanted to provide as much help as possible for folks wanting to do renewable energy (RE), and also provide a place f

"Outstanding support and the best price." "The altE Store provided me outstanding support and the best price. I reviewed multiple different options and because of their customer support, and very informative online videos they made choosing them easy.

(Editor's note: This review was left about the prior version of the HLX+ battery.) Upgraded my solar electrical system this year after 5 years on my smaller system. My intent was to never run my generator again. I have been running my new system with the KiloVault 3600 HLX for 2 weeks and it works fantastic. I've watched it put out 168 amps with no issue and ...

More Info on Solar Micro Inverters How Do Micro Inverters Work? An inverter is an essential component of any solar energy system, converting direct current (DC) electricity from the solar panels into alternating current (AC) electricity used for your home's appliances. Traditionally, solar systems have utilized a single centralized "string" inverter.

Solar panels are a proven and reliable way to produce clean electricity where it's needed - on a home, RV, boat, farm, or anywhere else that receives at least moderate sunlight. altE has been a trusted solar panel retailer since 1999 with competitive prices on high quality brands. At altE, we offer solar panels for sal

Do-able," by offering cost competitive, high-quality renewable energy related products to a broad spectrum of the public. For more information visit their website at or contact Toll Free (877) 878-4060.

An altE Store 30 watt solar panel, plus a free charge controller can be a great introduction into solar. PROMOALT30/SG4 has a 30W panel plus a free charge controller for under \$70. 30 Watts can be enough power to run your laptop for a couple of hours, provide light, or keep your tablet going all day and night.. A deep cycle battery like the 32Ah 12V MK Battery ...

Tried to order some parts last week and their online ordering does not work, have been trying to contact them for a week by phone and email with no luck. Someone posted on the alte store facebook page they were told by another vender that alte store shut down / bankrupt. Anyone know anything...
