Is there a solar revolution in Syria?

An unlikely solar revolution of sorts has taken off in an embattled, rebel-controlled pocket of northwestern Syria, where large numbers of people whose lives have been upended by the country's 10-year-old civil war have embraced the sun's energy simply because it is the cheapest source of electricity around.

The most common Ambrose Solar email format is [first] (ex. jane@ambrosesolar), which is being used by 82.8% of Ambrose Solar work email addresses. Other common Ambrose Solar email patterns are [first].[last] (ex. jane.doe@ambrosesolar). In all, Ambrose Solar uses 2 work email formats.
