British Indian Ocean Territory (BIOT) is a British overseas territory in the Indian Ocean. It is located in the central Indian Ocean, about 2,000 km (1,200 miles) south of India. The territory consists of a group of small islands and reefs, including Diego Garcia, which is the largest and most developed island. The population of the territory is very small, with only a few hundred people living there. The territory is under British administration since 1965.

Revised Ordinances of BIOT - Chapter B.
