

Bahrain solar consultant

Who are solar energy consultants in Bahrain?

As solar energy consultants in Bahrain, we provide innovative and customized solutions for homes and businesses looking to harness the power of the sun. We believe that solar energy is the key to a sustainable future, and we are committed to helping our clients achieve their clean energy goals from the best solar companies in Bahrain.

Is Bahrain's first solar panel company the start of a sea change?

This is good news for Solar One, Bahrain's first solar panels company. Since its founding in 2017, the startup boasts of contributing over two megawatts of solar to the country's energy mix -- enough to power around 380 US homes. It's a drop in the ocean, but it hopefully marks the beginning of a sea change.

How much solar energy does Bahrain produce a year?

According to the Gulf Research Centre, the kingdom has the capacity to create roughly 33 TWh of solar energy every year. Homefix has provided individuals, groups, organisations, industries, ministries, and corporations in Bahrain with dependable and long-term contracting and trading services.
