We will use solar energy to power local homes and businesses while helping the planet. A clean, renewable and sustainable energy alternative. Our facility's manufacturing capacity is 60,000 panels per year. This is equal to producing 15 MegaWatts of power. Our prices are comparable to those available in China or India, without the import cost.

Renogy Solar Starter Kits feature a 10-year material and workmanship warranty on solar panels and a 2-year warranty on PWM charge controllers. They include all necessary equipment for building a basic system that is beginner-friendly.
