

What is baobab+?

Baobab+mother company. Baobab is a financial services group with operations in eight countries on the African continent and China. Baobab provides financial services to half a million small businesses, fulfilling its mission of broadening access to finance among those underserved by traditional banks.

Who is baobab group?

In addition to our strong partnership with Baobab Group, we have forged strategic partnerships with international companies and Telco operators to continue our growth and provide a wide range of life-changing products to households and entrepreneurs in Africa. We are a social business committed to providing access to energy and digital.

Where to buy organic Baobab in Germany?

German demand for health products and supplements is expected to continue increasing in the coming years. Several baobab suppliers are active in the German market; they include Berlin Organics, Biotiva, Baola, Keimling, Hanoju and Govinda. All these suppliers offer organic baobab.

What is planet baobab?

Surrounding Planet Baobab is a world of endless horizons, four-thousand-year-old inverted trees, bikes with four wheels, and little friends that live in holes in the ground. Sounds quirky and a little bit funky? Well, that's exactly what Planet Baobab is. In fact, it's probably the most unique camp on the continent, in one of the most unique areas.

What products does baobab offer?

We select quality products to meet the needs of our customers. These products are available through the Baobab network of branches with financing facilities and/or a dedicated credit called ``Baobab Energy Solutions`` for productive use products (solar freezers, hybrid generators...).

Why is Baobab a leader in digital financial inclusion?

As a leader in digital financial inclusion, Baobab is aware of the impact of digitalization on the daily lives of our prospects among the communities we serve. Enabling access to financing for quality digital products is necessary for our customers, who can also apply for credit directly through the Baobab app from their homes!
