

Belize onix solar pte ltd

Will Belize Electricity compensate you for excess solar energy?

The hope is that through regulations, Belize Electricity Ltd will have to compensate you for excess solar energy flowing to the grid during the day and off-set it against the electricity you are drawing from the grid at night; however, the reality today is the opposite.

Why did Samsung choose Onyx Solar?

By selecting Onyx Solar's photovoltaic glass, Samsung enhances the energy efficiency of its buildings, aligning with its mission to lead in both technological advancements and environmental responsibility. Over 500 projects completed across 60 countries on all five continents.

Who installs the Orange Gallery Solar System?

We (The Orange Gallery) were the first official grid-tied system in Belize. Our system was installed by SESB and we have been powering our operations with free energy from the Sun for a few years now. We love it and are happy to recommend SESB!" Which solar system is right for me?
