

Belize rm solar ltd

Who is RM solar private limited?

RM SOLAAR PRIVATE LIMITED established in 2009 is a clean energy initiative by first generation entrepreneur. The company is a solar energy system integrator dedicated to facilitating the implementation of Solar technology for commercial, industrial and residential entities seeking benefits of renewable energy production.

Will Belize Electricity compensate you for excess solar energy?

The hope is that through regulations, Belize Electricity Ltd will have to compensate you for excess solar energy flowing to the grid during the day and off-set it against the electricity you are drawing from the grid at night; however, the reality today is the opposite.

Who installs the Orange Gallery Solar System?

We (The Orange Gallery) were the first official grid-tied system in Belize. Our system was installed by SESB and we have been powering our operations with free energy from the Sun for a few years now. We love it and are happy to recommend SESB!" Which solar system is right for me?
