I was impressed by Will's review on the KiloVault 1800 watt battery. I only recently became aware of Kilovault and am impressed since you appear to have a major established company like Alt-E backing you up. I'm interested in putting a 4 battery bank of your 3000 watt Kilovault into my sailboat (e.g. 4 batteries).

It can help troubleshoot the cause of the battery bank going offline. o Storage Mode: The KiloVault iT smartphone Bluetooth app enables users to place the HLX+ series battery in "storage mode" to reduce the battery self-discharge. When not in use for an extended time, users simply switch the battery/battery bank to storage mode to save power.
