The British Virgin Islands is a British overseas territory, located in the Caribbean to the east of Puerto Rico. The islands make up part of the Virgin Islands archipelago, the remaining islands constituting the U.S. Virgin Islands. The British Virgin Islands are founding members of the Bank.

The islands were part of the British colony of the Leeward Islands (1872-1960); they were granted autonomy in 1967. The economy is closely tied to the larger and more populous US Virgin Islands to the west; the US dollar is the legal currency. On 6 September 2017, Hurricane Irma devastated the island of Tortola.
