

# Can I put a locker at the entrance

Do you need a locker in your home?

While many may think of boring school lockers or utilitarian gym lockers, there are so many creative ways to incorporate stylish and functional lockers into your home. Lockers are great for adding extra storage in tight spaces like entryways, mudrooms, laundry rooms, garages, and more.

Are vintage lockers a good idea for a mudroom?

Related: 21 Ways to Fake More Space Around the House Vintage lockers are just the right size to serve as storage cubbies in a mudroom. They hide the clutter while lending a cool and edgy look to this unique space. You want an entryway to be warm and welcoming, as well as functional.

Why should you choose a locker?

With endless options for color, material, size and configuration, lockers can truly be one-of-a-kind storage solutions tailored exactly to your space and style. Use vivid locker colors and playful graphics to energize a kids' area, or rich wood grains and warmth for a cozy feel.

What are the different types of locker ideas?

Beyond the basic metal cabinet, there are endless locker ideas out there. You can find lockers made from wood, wire, canvas and other materials to match your home's aesthetic. Lockers come in a spectrum of colors, or you can DIY paint or stencil your own custom creation.

Why do you need a locker cabinet?

They can help corral clutter in high-traffic areas, provide a spot to stash coats, bags, shoes and sports equipment, and bring an unexpected design element to liven up a bare wall or empty corner. Beyond the basic metal cabinet, there are endless locker ideas out there.

How do you attach a locker door to a base plate?

With the top and bottom hinges installed on the door we could then connect it to the base plates that are installed on the locker. These hinges have adjustability features that can be used to make sure the door lines up perfectly with the base plates. With the door installed, the middle hinge can then be installed as well.
