On a congested sidewalk next to a busy mall in Shenzhen, a 20-something woman uses a smartphone app to order a milk tea on Meituan, a major food delivery company.

What is Meituan Waimai?

Meituan Waimai is one of China's major food delivery services. And when I say major, I mean huge...food delivery is a billion dollar business, and you can get food delivery services almost anywhere, as long as you have a smartphone and a food delivery app.

Does Meituan have a manned delivery system?

As tested, Meituan had achieved 95% of success rate with unmanned deliveries trialling over National Day on October 1st during peak time. With a storage space of 100 square meters, the store can send out 70% of the orders within 120 seconds, delivering as many as 200 orders per hour.

How do I use Meituan?

Open your smartphone's app store and search for "meituan". It should be one of the first apps you see, with a little yellow kangaroo logo (copying Deliveroo, I'm assuming). Download it and open it up! You will need to have a Chinese phone number to complete this step. Tap on the "Me" button in the bottom right-hand corner to get started.

What is a Meituan Waimai app?

The first is known as 'Meituan Waimai' (????), known for its yellow kangaroo logo, seen on thousands of electric delivery bikes riding across cities. The second app is called 'Eleme' (???) and is similarly seen across cities with their blue-dressed delivery drivers.
