Who is Eaton xstorage home?

Eaton is a global power managementwith a 100-year history that works with lithium-ion battery technology from Nissan,the world's leading electric vehicle manufacturer by volume. Eaton only works with highly qualified installers,who are members of the Eaton xStorage Home Authorised Installer Partner Programme.

How does xstorage home work in Norway?

xStorage Home helps a family in Norway be even more energy-efficient. By storing,consuming or even selling renewable energy back to the grid,homeowners can contribute to the de-carbonisation of the energy supply. xStorage Home can provide homeowners with energy if the grid fails,powering critical loads such as lights and security systems.

How do I get a warranty on my Eaton xstorage home?

You can rely on a member of Eaton's authorised installer network to talk you through the system and identify the size and configuration best suited to the needs of your home. Download the xStorage Home range brochure. Register the xStorage Home you've installed for your customers in order to activate the warranty.
