

It participates in the logistic development of the country through Africa Global Logistique RCA and the Central African Company of River Transport (SOCATRAF). Africa Global Logistique RCA is a major player in international transport and logistics.

The Central African Republic (CAR) presents a challenging environment for technological and telecommunications development due to its vast yet sparsely populated geography, poor infrastructure, and ongoing civil unrest. This landlocked country is predominantly rural with a concentration of its populace in the capital, Bangui. Addressing the rural-urban divide is one of ...

MANKEUR NDIAYE, Special Representative of the Secretary-General for the Central African Republic and Head of the United Nations Multidimensional Integrated Stabilization Mission in the Central ...

Academic analyses of the prolonged crisis in the Central African Republic (CAR) and the international response to it are rare. This masks the depth of the crisis. The most recent outbreak of conflict alone, following a coup d'état staged by the Séléka rebels in March 2013, left countless civilians dead, 1 more than half a million people displaced, and over half of the 4.6 ...

Political commitment, improved regulatory frameworks, and public and private financing are driving progress in energy access expansion across Western and Central Africa (AFW). Off-grid systems using solar power are increasingly ...

The Central African Republic (CAR) faces numerous challenges: the increasing impacts of climate change, fragility, and persistent underdevelopment. With about 70% of the population living below the poverty line and millions affected by recurring floods or droughts, the stakes are high. However, by placing people at the heart of climate solutions, CAR can not ...

In 2019, the Central African Republic's government effectiveness score ranked third last within its low-income peer group at 0.8, placing it well below the average group score of 1.37. In the Current Path forecast and in the Governance scenario, the Central African Republic's government effectiveness quality score is projected to improve to ...

The World Bank allocates \$385 million to help increase access to energy and enable power trade between Cameroon and Chad. WASHINGTON, June 16, 2020 - The Board of the World Bank approved today a total amount of \$385 million in International Development Association (IDA)* financing to promote regional power interconnections and to allow the ...

-- J. Peter Pham (former U.S. Special Envoy for the Sahel under the Trump Administration) Although the resort to private security providers goes back centuries, the modern understanding of the phenomenon, centered on the "corporate identity" of current private security and military companies (PSMC, also abbreviated PMC), emerged after the end of the Cold War.

Evaluating the Wagner group's impact on Central African Republic. Ori Swed a Sociology, Anthropology, ... one that can provide better solutions and prosperity to African ...

The Central African Republic has revealed plans to expand its use of renewable energy resources such as hydropower and solar. About 30 sites for hydropower development with capacities between 0.5-180 MW were identified to exploit ...

In this 2023 annual update, we hold a positive, albeit subdued, outlook for Central African Republic's telecommunications market's growth. The country's low GDP per capita, low levels of urbanisation, high unemployment levels and inequitable income distribution all weigh on the country's attractiveness as a telecoms investment destination. This means that operators ...

Less than 3% of the population has access to electricity in Central African Republic. Grid-based electricity supply is insufficient to meet electricity demand: it is unavailable 28% of the year on average, mainly due to generation outages. ... by harnessing the heat from burning fuels or nuclear reactions in the form of steam (thermal power) or ...

Officials from Central African Republic, where some 1,500 of Prigozhin's shadowy Wagner Group mercenaries were stationed, wrote a letter that day, requesting to "rapidly" arrange a meeting with a private U.S. security firm to discuss ...
