Environmentally friendly touches such as solar power, energy-efficient appliances and odourless composting toilets help make your stay as sustainable as it is memorable. Swell Lodge offers ...

And like Sunset, we do get flat days, and unfortunately can never guarantee swell. Most of the waves fire up to a solid 6 ft (12 ft face). There are some set-ups which hold 7 ft plus, but our ideal size is in the 3 to 6 ft range. And fortunately, this is our normal swell size. Christmas Island is blessed with offshore wind all day and every day.
