Clear Power Solutions Inc is a privately held corporation. We specialize in DC power solutions for RVs, boats, cottages and more, as well as complete solar energy systems. We also have the knowledge and equipment to build and rebuild battery packs. We also have a full range of telecom power and solar services.

When Clear Power Solutions Inc designs a system, the first thing we do is determine the capacity of the battery or batteries. We design the battery/batteries to be discharged 50%, which extends the life of the battery. Depending on the customer's needs, we will size the battery to provide power for 3 days with no sun.

Solar Power Panels: We use solar panels to turn sunlight into energy. This helps us save power and reduce. Wind Turbines : Wind turbines catch the wind and turn it into energy. So, we can use less fossil fuel, which is bad for the earth. Above all, wind energy is clean and safe pollution. Therefore, it keeps the air clean and the planet happy.
