

Will Mozambique liquefied natural gas project be restarted?

Japan's Mitsui & Co is collaborating with TotalEnergies and the Mozambique government to finalise plans for restarting construction of the \$20 billion Mozambique liquefied natural gas (LNG) project, CEO Kenichi Hori said on Thursday.

Who is Conderenergy?

Conderenergy is a leading provider of end-to-end energy solutions for households, businesses, and large corporations. Our direct sourcing from top manufacturers ensures competitive pricing and the latest technology. Our experienced team designs customised solutions and provides seamless service from project planning to ongoing maintenance.

Should Mozambique use hydroelectric power and natural gas?

"African countries, and in this case Mozambique, should use an energy mix of hydroelectric power and natural gas," Dr Adesina said during the panel discussion. "To those who say that natural gas creates a lot of problems, I reply that it doesn't, really. How can we justify having 600 million people without electricity?"

Will Mozambique harness its natural gas resources?

Speaking on the third day of the COP28 UN climate conference, President Nyusi said Mozambique will still harness the potential of its offshore natural gas reserves in a diverse energy mix that will also exploit its abundant hydroelectric, wind and solar resources.

How much will Mozambique's energy transition strategy cost?

To fully realise this ambitious potential of the energy transition strategy, the opportunities for short-term investments to be financed amount to \$3 billion next year alone," said Mozambique's Minister of Mineral Resources and Energy, Carlos Zacarias.

Is France ready to revive Mozambique LNG project?

As the conflict worsens, President Filipe Nyusi has been prompted to seek foreign help. [...] Although security remains precarious in Cabo Delgado province, the French major appears to be ready to revive its vast Mozambique LNG project.

GL Energy Mozambique today has finalised a concession agreement with the Government of Mozambique to finance and operate a 250MW LNG power plant in Nacala District, Nampula Province, northern Mozambique.
