

# Cost of 3kva solar system Belgium

Are solar panels a good investment in Belgium?

Installing solar panels in Belgium offers an attractive return on investment in terms of energy and cost savings. Even without green certificates, owners of photovoltaic systems can recoup their investment in just a few years. To further optimize their financial savings, here are three key ways:

Where can I install solar panels in Belgium?

For the installation of solar panels on the ground, on a protected building or in other regulated cases, you will have to contact your municipality. There are several companies active in Belgium that install solar panels.

How much do solar panels cost in Flanders?

The cost of solar panels has decreased in recent years, making them more accessible. Currently, a 5,000 Wp installation costs around EUR6,000 including VAT. Government subsidies for solar panel installations are gradually phasing out. In Flanders, the maximum subsidy for 2024 is EUR375, down from EUR750.

How much do solar panels cost?

The price of solar panels has dropped significantly in recent years. In addition, you can receive a subsidy from the government for photovoltaic panels. The average solar panel price is around EUR1.26 per watt peak (Wp), although the exact price depends on a number of criteria:

How do solar panels work in Belgium?

In Belgium there are two main types of solar panels. Solar Thermal Panels: these harness the sun's heat to produce hot water and heat homes. Equipped with sensors capturing up to 90% of sunlight, these panels transport heat to a water tank for storage, ensuring a continuous supply of hot water, even on overcast days.

How much subsidy can I get for solar panels in Flanders?

Currently the maximum amount of subsidies you can receive for the installation of solar panels in Flanders is EUR750. In 2024 the maximum subsidy will decrease to EUR375. The subsidy amount is always limited to 40% of the total investment costs including VAT, as stated on the invoices. What Is The Yield Of Solar Panels In Belgium?
