Through our strategic business clusters, we aim to create value. We provide energy contracting, development and investment solutions that power homes, schools, healthcare facilities, and businesses.

Securing and maintaining capital for a clean-energy future can be a challenge. Leasing with CSI allows you to gain access to the technology you need, while preserving cash and lines of credit for the unexpected. As an alternative funding source, leasing makes it easier to invest in new growth areas such as automation and artificial intelligence.
