

Is there a fuel shortage in the Cocos Keeling Islands?

Viva Energy is responsible for the delivery of fuel to Cocos Keeling Islands, Australia's most remote community, and an unfortunate series of events late last year has led to a shortage of premium unleaded fuel on the islands. Viva Energy has been actively working on alternative supply solutions.

Who is Island Power Co Pty Ltd?

Island Power Co Pty Ltd ABN 35 617 149 032, EC14572. Electrical, civil, and surveying, Cocos Keeling Islands. Electrical contractor, civil contractor, surveying, Cocos Keeling Islands. Renewable energy, solar, battery storage, power and electrical, microgrids. Cocos (Keeling) Islands, Christmas Island, Indian Ocean Territories

Who is the Cocos Keeling Islands Community Resource Centre?

EVENTS - PLEASE CONTACT US TO RSVP HERE The Cocos Keeling Islands Community Resource Centre has been operating since 2002, providing services to local businesses, residents and visitors to our wonderful Islands.

Where is the Wellington Battery energy storage system located?

The Wellington Battery Energy Storage System would be located approximately three kilometres north-east of Wellington, in the Central West of New South Wales, within the Dubbo Regional Council local government area. The project received State Significant Development planning approval from the NSW Department of Planning and Environment.

Pacific Green Technologies has appointed Instalcom Limited as the principal contractor for its 99.98MW Richborough Energy Park battery energy storage system (BESS) in Kent, England. Instalcom has also been awarded an operations and maintenance contract for the site, which will come into play once commercial operations via the UK's National ...

Hitachi Energy has installed a 6.25MW/7.5MWh battery energy storage system (BESS) in the Faroe Islands for utility SEV, with substantial benefits to a connected wind farm. The energy solutions arm of the large Japanese conglomerate announced the completion of the 1.2-hour project, the largest in the North Atlantic archipelago, last week (1 ...
