

Energystore limited Palestine

Who are energystore Ltd?

With over 40 years of experience, energystore ltd are the leading manufacturer of high performance eps (expanded polystyrene) bead insulation products throughout the UK and Irish construction industry. With state of the art manufacturing facilities spread over 6 factories, we are able to supply a very demanding market.

Who can use energystore products?

energystore products can only be used by approved installers. To achieve approved installer status, contractors undergo initial assessment from energystore and our 3rd party independent assessment body, KIWA. Once approved, all installers have access to provide 10 year insurance backed warranties for their installation of our products.

Why should you choose energystore?

We promise to treat our customers as we would expect to be treated ourselves. Excellence is what drives energystore. From innovation in how we manufacture our products, highly trained installers and delivering customer service, we always aim to be the best at what we do.
