Preparing Home Assistant and Venus OS for Connection. I will start by crediting KidA001 who posted this guide on github, his guide covers pretty much all the steps from start to finish, but only touches upon reading data from VenusOS, and does not include controlling ESS, some other steps I felt needed tweaks as well but this first part is ...

2 ???· Hello everyone. I have Multiplus 24/1600/40 with ESS assistant enabled. I need battery priority during the day and charging during the night. Everything works fine. I wanted to disable a fan while charging at night, so I installed the Silence Fan Assistant. Configured to disable fan during the charging. Now, the fan is disabled during the night charging. Perfect. The current ...
