What is Evergreen Solar Power?

Evergreen Solar Power is a 100% privately owned Australian Company that is a member of the Clean Energy Council (CEC) Australia. Evergreen Solar Power Systems generate clean electricity using the Sun's light and help cut your electricity bill with the aid of traditional forms of energy.

Are evergreen solar panels a good buy?

Evergreen Solar Power were fast to get the system installed even with the Christmas break, there was an issue with the initial inverter being DOA however they sourced another one and installed the very next day. The 5kw system with 6.5kw of solar panels performs perfectly, good buy electricity bill. Original ratings
