Tata solar is No.1 among all solar companies. It is the biggest solar panel brand in India. The trust and support it has gained from the Indian market is incomparable. The highly trusted brand of Tata manufactures a wide variety of solar panels for residential, commercial, industrial and institutional purposes. Tata solar panels are available in 50 watt capacity to 330 watt capacity.

However, the rate varies from solar brand to brand. Furthermore, the type of solar panel, your state's solar policy and several other factors also play a significant role in determining the overall price of the solar panel. The price of a 50 watt solar panel starts from Rs.1,500 for Vikram Solar and can go upto Rs.2,500 for Tata Solar brand ...
