

Fero energy Malta

Where can I find more information about fervo energy?

For more information, please visit Fervo Energy, the leader in next-generation geothermal development, today announced that it has raised \$244 million in new funding led by Devon Energy, a pioneer in shale oil and gas.

Is fervo energy a carbon-free resource?

"Fervo has transformed geothermal into a scalable carbon-free resource ready to meet the moment." Goldman Sachs & Co. LLC acted as exclusive placement agent to Fervo Energy. Vinson & Elkins LLP acted as legal advisor to Fervo Energy. Fervo Energy provides 24/7 carbon-free energy through the development of next-generation geothermal power.

Will fervo be able to commercialize geothermal energy?

Fervo still has a long road ahead from building a pilot plant to commercializing geothermal energy at scale, but Wilson Ricks, who works in Jenkins' lab at Princeton and cowrote a paper on the role of geothermal energy in future decarbonized energy systems, says Fervo's technical milestone is a real milestone.

Is fervo a shale oil & gas pioneer?

HOUSTON, TX (February 29, 2024) - Fervo Energy ("Fervo"), the leader in next-generation geothermal development, today announced that it has raised \$244 million in new funding led by Devon Energy, a pioneer in shale oil and gas.

How much funding has fervo energy received?

Fervo Energy has been backed by over \$400 million USD in equity or non-equity backed funding and approximately \$17 million in non-dilutive grants. In the third quarter of 2022, Fervo Energy received \$22 million of series C funding from a multitude of venture capitalists.

Does fervo have a geothermal system?

Since its last fundraise, Fervo has successfully brought its first commercial project online, establishing Fervo's system as the most productive enhanced geothermal system (EGS) in history. Fervo has also begun drilling at Cape Station, a 400 MW project in Beaver County, Utah.
