## Finix solar energy co ltd Equatorial Guinea

Finix Solar Energy is not only an office building but also a showroom serving for solar cell products. We created the concept from the characteristic of solar energy itself plus the corporate"s name (Finix) which is the immortal phoenix rising from the ashes, soaring to the sky. It is similar to infinitely renewable energy of solar cells.

Noble Energy, Inc. announced that the Plan of Development for the Alen condensate/gas-recycling project has been approved by the Ministry of Mines, Industry, and Energy of the Republic of Equatorial Guinea. Noble Energy's board of directors sanctioned the project in December 2010, followed closely by the approval of all partners. Formerly known as ...
