Kelcy Pegler, CEO of FlexGen, said the projects represent "an incredibly important step" toward a more intelligent and resilient grid. "Battery energy storage resources are the key to the future of our infrastructure, and FlexGen is proud to deliver industry-leading services and value to our partner Alliant Energy and the customers it ...

The Great Texas Freeze that took place last year left more than 4.5 million homes and businesses without power. The crisis placed a spotlight on the fragility and criticality of the power grid and will go down as one of costliest disasters in the state's history.

During the development of their advanced EMS application HybridOS Analyze, the FlexGen team ran dozens of systems through testing; they found that even new batteries exhibited up to 20% inaccuracy in charge information, with some arrays getting just half their nameplate capacity due to energy bottlenecks created by faulty cells. With the ...

FlexGen's Commitment to Excellence. FlexGen is dedicated to providing leading energy storage solutions. With HybridOS, FlexGen delivers a software solution that meets the diverse needs of energy storage owners and operators. Here's why HybridOS stands out:

What we want to see in the market is the market standardising around the FlexGen operating system and bankability being a more important part of EMS selection. Then just getting more intertwined and having multiple ...

The Midwest currently boasts some of the lowest energy rates in the country, but that hasn't stopped forward thinking utilities and power producers from moving ahead with energy storage projects that will support them in the transition to clean energy. We're on location at one such FlexGen project in Indiana, where the site is a hive of activity.

O Embaixador de Portugal em Angola, Francisco Alegre Duarte, participou ontem na cerimônia de outorga de Diplomas dos Cursos de Formação Inicial para Professores do Projeto de Revitalização do Ensino Técnico e da Formação Profissional de Angola (RETFOP), em Luanda. Na sua intervenção, felicitou os 262 novos docentes, licenciados em ...
