Cultural Melting Pot. French Guiana's history and culture are deeply influenced by a mix of indigenous peoples, African descendants, and European settlers. This blend has created a rich cultural tapestry that is evident in the region's traditions, cuisine, and festivals.. The population is a vibrant mix of ethnic groups, including Creole, Maroons, Amerindians, ...

Take care: French Guiana uses higher voltage than United States of America ... An automatic power supply suitable from 100 Volts to 240 Volts. High-power devices don't usually handle different voltages due to the high-currents involved i.e. anything that its main purpose involves generating heat ...

CEOG is an innovative multi-megawatt power plant designed to produce reliable and clean electricity. CEOG will provide cheaper and firm power all year long, day and night, to 10 000 homes in Western Guiana. Combining a photovoltaic plant and mass storage of energy in the form of hydrogen, CEOG is the alternative to a classic diesel power plant.
