

French Polynesia best sun panels

What is the climate like in French Polynesia?

French Polynesia enjoys a tropical climate and temperatures hover around 25-30°C (77-86°F) year-round. There are only two seasons: the dry season and the rainy season or "hot and hotter." The dry season, from May to October, is when the weather is generally sunny and pleasant.

Where is French Polynesia?

Shutterstock With its gorgeous tropical islands, cerulean lagoons and a vibrant, community-oriented culture, French Polynesia is the kind of travel destination daydreams are made of. It's located in the South Pacific Ocean, about halfway between Australia and the US, and is made up of 121 islands divided into five archipelagos.

Is French Polynesia expensive?

French Polynesia is an expensive destination, and it's known for luxury tourism. However, there is a wide range of accommodation available to suit most budgets, everything from camping and family-run guesthouses to uber-luxurious resorts on privately owned islands.

What is an overwater bungalow in French Polynesia?

These thatched roof huts on stilts soon became an iconic accommodation in French Polynesia. Today, overwater bungalows are a symbol of tropical luxury and escape. Their beautiful views, direct access to the water, and glass floor panels are becoming more popular.

When is the best time to visit French Polynesia?

June through August are the busiest months for tourism in French Polynesia, and coincide with the islands' biggest cultural festival, the Heiva, and other major events such as the Tahiti Billabong Pro. Budget travelers may find cheaper prices traveling during the low season, with September through November also having generally good weather.
