Public listing 247Solar, Inc. investors for institutions, trusts, and public stock holders. For interest in investing in sustainable solar energy solutions, energy applications and products consider 247Solar as an investment in the future of energy.

Risks are tilted slightly to the downside given French Polynesia's dependence on tourism and exposure to external shocks. We expect slower growth in French Polynesia in 2024 as a robust post-pandemic recovery loses some momentum. Latest national accounts data show real GDP growth accelerated to 4.5% in 2022, the fastest clip since 2005, on the ...
