Emcore's latest generation InGaP/InGaAs/Ge ZTJ triple-junction space-grade high-efficiency solar cells have been in volume production since 2009, with over 300,000 flight cells produced to power more than 35 separate satellites. The ZTJ cells, CICs (Coverglass-Interconnected-Cell) and solar panels have also been characterized and qualified to both the ...

Friday, February 9, 2024. When a company suddenly goes out of business, it can lead to problems for its customers. Our office was recently notified that the solar company Encor Solar has gone out ...

Frustrated with Encor Solar: ***** and No Communication Date: Jan 31, ***** I'm writing to highlight my frustration with Encor Solar after my solar panel system was installed in November 2023.

I searched a bit for information about Encor Solar, but there doesn't seem to be a lot of unbiased reviews available out. From what I understand they're not an installer. They're going to be hiring that out to a local installer called Elemental Energy. The rep said he had experience as a contractor and would be project managing the whole thing ...
