

Gabon waste sorting cabinets

Have you decided on hinged doors, and are now looking for an integrated waste bin system? Here too, our product range has various solutions to offer. On all of them, the lid opens automatically when the cabinet door is opened. Choose between built-in waste bins with one, two, or even three compartments that make sorting your waste a breeze.

Mount this pull-out frame inside your cabinet to hide your waste sorting behind a door. Easy to mount and use in cabinets throughout the home. The pull-out frame gives you quick access and a good overview of your waste sorting and keeps your bin stable. Pull it out to sort and push it back when you are done.
