In 2019, Generac -- established in 1959 and a leading US manufacturer of fossil fuel generators -- launched its first residential solar generator: PWRCell. Two years earlier, EcoFlow was founded as an innovative solar-first manufacturer and has already won numerous awards and Best-Of listings from authorities like Red Dot and WireCutter.

Both products are designed to integrate seamlessly with Generac's family of generator products, giving customers a smart, open ecosystem for greater resiliency and energy independence. In the event of a multi-day power outage, customers will have peace of mind with a paired PWRcell 2 and Generac brand generator*.
