

Georgia lumina energy solutions

What makes Lumina a good solar company?

At Lumina, everything is about the customer. We make the process of going solar simple and enjoyable. We take care of all potential hassles, paperwork, and permits. Our goal is to help you get the best possible return from your solar panels. We work tirelessly to offer the best possible price and drive value up for our customers.

Who is Lumina solar?

Our founding and management team has over 45 years of residential solar experience. We have built our company efficiently to offer our customers a high quality experience. At Lumina, everything is about the customer. We make the process of going solar simple and enjoyable. We take care of all potential hassles, paperwork, and permits.

Is Lumina a good company?

Lumina was excellent from beginning to end. I worked w/Phil who helped with specing out the solar system and pricing. He kept me informed of the Solar Incentive/interest rate changes as it happened. Answered all my questions quickly and was available by email or phone whenever I had questions.

Why should you choose Lumina?

Our team of industry veterans is creating a new and better customer experience that fully integrates technology to achieve your energy reducing lifestyle. Lumina believes that solar is always the better choice, and we have the expertise and tools to help get you there. Anyone who wants solar should be able to make the transition.

Do Lumina employees work together?

In our observation we found that all employees of Lumina (salesman, system engineers and designers, schedulers, installation and inspection teams and project administrator) worked together seamlessly. We are now truly basking in the sun and seeing our solar production meet and exceed our electrical consumption.

What is Luminace?

Luminace is the North American decarbonization-as-a-service platform of Brookfield Renewable- a global leader in decarbonization.

Our solar plans are tailored to your needs, both from an energy consumption and budget perspective. Regardless of which plan you choose, you'll be able to benefit hugely by transitioning to a cleaner, more affordable energy alternative.
