

# Georgia ultra energy group

Who is ultra energy?

Part of Ultra Group, Ultra Energy is a global engineering company with 70 years' experience designing and manufacturing measurement and control solutions for markets such as nuclear, space and aerospace, oil and gas, as well as other industrial manufacturing sectors.

Why should you choose Ultra Energy?

Ultra Energy's solutions provide customers with complete, long-term protection and control over safety critical systems operating in extreme environments. Through the intelligence, expertise and quality embedded in our approach, customers are better placed to deliver the success factors their stakeholders require.

How can Ultra Energy protect your infrastructure investments?

Their infrastructure investments also need to be safeguarded against loss due to legitimate safety concerns. Ultra Energy's solutions provide customers with complete, long-term protection and control over safety critical systems operating in extreme environments.
