Benoit de la Fouchardiere, Perenco CEO, said:. Perenco has always been a pioneer in innovation and long-term investment in the countries where we operate. Tim Schweikert, Senior Managing Director of International Business Development at Bloom Energy, said:. This is an important step that will demonstrate how our solid oxide fuel cell technology ...

OverviewHistoryEconomicsWindOcean powerBiofuelsSolarHydroelectricRenewable energy in the United Kingdom contributes to production for electricity, heat, and transport. From the mid-1990s, renewable energy began to play a part in the UK's electricity generation, building on a small hydroelectric capacity. Wind power, which is abundant in the UK, has since become the main source of renewabl...

Green Cell coverage in 2020 We co-create the world of sustainable energy. Within 8 years we have gained over 2.5 million satisfied customers and reached several dozen of countries worldwide. Our products are even used in Greenland! We are growing at a frenetic rate and have no intention of slowing down.

1 ??&#0183; At best, hydrogen represents approximately 10-20% of the clean energy market - yet it's a critical 10-20%, tackling sectors that are the hardest to decarbonise - such as heavy-duty transport (e.g ...

1 ??&#0183; The UK plans to reform rules on planning and connecting to its power grid in hopes of spurring some &#163;40 billion of investment a year through 2030 to try and eliminate fossil fuels from ...
