What is GreenGo energy?

Renewable energy solutions that accelerate the energy transformation GreenGo Energy has worked since 2011 to accelerate the green transformation through a distinguished, innovative and scalable business model based on renewable energy.

Who is GreenGo energy Germany?

GreenGo Energy Germany GmbH, the German arm of the Danish GreenGo Energy Group, has expanded its management team with the addition of two experienced professionals. Claas Oltmann and Dr. Philipp Schmagold, both with extensive backgrounds in renewable energy, join the company to lead efforts to develop large-scale, subsidy-free energy parks.

How many GW projects does GreenGo energy have?

GreenGo Energy has more than 27 GW projects in development or construction within solar, wind, BESS and PtX, through our Megaton(TM) Energy Park pipeline. Tier-1 investors from the global renewable energy sector.

What was GreenGo Energy Group doing at agrosHOW?

Last week, I represented GreenGo Energy Group at #AGROSHOW, the largest open-air agricultural exhibition in Europe, aiming to build connections for possible new #solar projects in Poland. The event was huge, with over 700 exhibitors and more than 80,000 visitors.

Is Namibia a future hub for green hydrogen?

This move underscores our commitment to driving the transition to a sustainable, NetZero future by leveraging Namibia's unique potential as a future hub for green hydrogen. GreenGo Energy and Doral Energy are excited to see the construction of Project M110, a 60 MWp solar park in Urup, Denmark taking place.

Is GreenGo energy a Gold Partner at GAH2S?

GreenGo Energy is a proud Gold Partner at the upcoming Global African Hydrogen Summit (GAH2S) in Windhoek next week. This key event for green hydrogen and Africa is close to our hearts, as we helped inaugurate it at COP28 in Dubai. I am thrilled to be a speaker at this event.

Et helt solrigt team ... At være en del af GreenGo Energy-teamet er noget ganske solrigt. Vi er en virksomhed med højt til loftet, plads til udfoldelse og et ganske solrigt miljø, som er præget af, at vi er passionerede omkring vores arbejde og med til at gøre en reel forskel - for vores virksomhed, for hinanden, for vores klienter og for miljøet.

GreenGo Energy celebrates the latest solar park fuelling the green transition * Newest solar park developed by GreenGo Energy opened in Odense Municipality * The park has a capacity of 32MWp, which is equivalent to
