We provide complete and partial shipping for Azerbaijan, which is among our regular lines. Our partial shipments are made weekly on Thursday, Friday and Saturday. Products received in our ...

Azerbaijan's economy has long been centered on its hydrocarbon sector. The world's first industrial oil well was drilled in 1847 at Bibi-Heybat on the outskirts of Baku; by the turn of the twentieth century, Azerbaijan was producing over half of the world's oil. The Soviet period, Baku continued to be a major supplier of oil--though production declined in later years.
