After receiving a bunch of quotes, we've narrowed our final decision down to Ameco Solar and Solar Optimum. I'm searching the sub to find info by which to compare the two companies and, while I can find dozens of mentions and plenty of reviews for Solar Optimum, a search for Ameco only turns up three posts total in the history of this sub. Given that (according to them, anyway) ...

AMECO Solar & Roofing offers a variety of solar financing options to make solar affordable for everyone: Full Purchase: Customers have the option to fully purchase their solar installation. This is a great option for those ...

This is a great option for those who want to make a one-time investment and enjoy the benefits of solar energy for years to come.

The project aims to increase Grenada's reliance on renewable energy and reduce its dependence on fossil fuels. PURC is seeking an independent power producer (IPP) to develop and operate either a 15.1MW standalone solar PV plant or a solar-plus-storage plant combining 15.1MW of solar PV and a 10.6MW/21.2MWh battery energy storage system (BESS).
