AGS GX 175 Battery - Reliable Power for Heavy Vehicles and Equipment The AGS GX 175 is a high-performance battery designed to meet the power demands of heavy-duty vehicles and equipment. With 23 plates in each of its 6 cells, this battery provides a reliable 140AH (20HR) capacity, ensuring consistent performance and long service life.

From the solar panels on the roof, to the inverter and battery storage system on your wall, our unmatched Sunnova Protect warranty covers all solar+battery storage system components, eliminating out-of-pocket expenses for system maintenance or equipment repairs or replacements, including labor and a 10-year roof warranty.

Conclusion. An AGS is a valuable component in off-grid and hybrid solar systems, as it ensures that power generation remains reliable even in cases of extended cloudy days, high power demand, or when the battery bank needs charging.
