

Guernsey beny energy

Will gas be a part of Guernsey's net zero future?

Gas will continue to have a place in the energy mix as it is vital for the success of our island's energy transition - and we plan to be a big part of Guernsey's Net Zero future so we can continue to provide energy for every generation. Guernsey Energy has been providing energy for every generation for almost 200 years.

Who is Guernsey energy?

From tailored payment plans and energy efficiency advice to priority callouts and safety checks, we're here to make things easier for you if we can. 2024 Guernsey Energy, a trading name of Guernsey Gas Ltd, a member of the Islands Energy Group. We've been providing energy solutions to the Channel Islands for almost 200 years.

Does Guernsey have electricity?

The cable connection to France provides most of the electric energy sold in Guernsey, but the power station still needs to maintain sufficient capacity to generate power should the cable fail. There are eight oil-fired diesel engines and three oil-fired gas turbines.

Does Guernsey energy offer free priority care?

We offer free Priority Care for customers who need extra support. From tailored payment plans and energy efficiency advice to priority callouts and safety checks, we're here to make things easier for you if we can. 2024 Guernsey Energy, a trading name of Guernsey Gas Ltd, a member of the Islands Energy Group.

Where is the Bailiwick of Guernsey located?

The Bailiwick of Guernsey is located in the Bay of St Malo off the west coast of Normandy facing the Atlantic Ocean. It is well positioned to be a major contributor to the emerging marine renewable energy market and meeting the needs of the 21st century, given its situation with some of the strongest tidal currents in the world.

How much did Guernsey's power plant cost?

In 1933 the States of Guernsey cancelled the concession and acquired the business at a cost of £285,500 at which time the capacity was 3.73 MW with 2,928 consumers on 165 kilometres (103 mi) of cables with eight substations.
