Unveiling Lithuania's largest solar park in Moletai, Nordic Solar's milestone investment marks a significant step towards the nation's renewable energy goals. With dignitaries present, including the Danish Ambassador and Lithuanian energy authorities, the ceremony highlights collaborative efforts and emphasizes biodiversity promotion.

The project comes on the heels of the Moletai scheme, which was Nordic Solar's first investment in Lithuania and also became the country's largest solar farm. The 100-MWp site was officially opened in May. Being built in the region of Sventoji, about 80 km (49.7 mi) north of the capital Vilnius, the company's second Lithuanian solar farm is ...
