Lion Rock is a 495-meter-high mountain, characterised by rugged escarpments on the west side. Viewed from a distance, it resembles a lion sitting regally with its head facing west, as if to guard Hong Kong. Lion Rock is edged by traditional stone trails both on the east and west sides. Pick one of the major walking trails for the day: MacLehose, Wilson, Eagle's Nest and Hung Mui ...

Hong Kong's skyline is one of the most iconic and recognizable in the world, but one of the best views of this impressive city can be found from a different perspective - from atop Lion Rock. This mountain, situated in the northern part of Hong Kong, is not only a popular hiking destination among locals, but also a significant cultural symbol for the people of Hong Kong. ...
