Who is Super Star Solar?

Super Star Renewable Energy Limited (SSREL), also known as Super Star Solar in Bangladesh, is the leading solar company in Bangladesh, providing innovative solar energy solutions since July 2013. We are dedicated to bringing electricity to underserved communities through top-quality solar systems tailored to remote areas.

Why should you choose a solar panel company in Bangladesh?

Our solar panel products undergo strict quality checks, ensuring efficiency and durability in the Bangladesh solar industry. We actively promote sustainable living in Bangladesh, striving for a lasting positive impact on our environment and communities.

Do solar panels save money in Bangladesh?

In Bangladesh, a typical 1 kW system can generate enough electricity to power essential appliances during daylight hours. So, your solar panel can significantly reduce your heavy reliance on the grid. When your system saves the bill money, you can enjoy free electricity. Solar panels offer a powerful solution for reducing electricity bills.

Do solar panels increase resale value in Bangladesh?

Government Incentives: The Bangladeshi government offers incentives to encourage solar panel adoption, making them even more affordable. Increased Property Value: Homes with solar panels are often seen as more sustainable and attractive to buyers, potentially increasing resale value.

How much does IPS Bazar BD cost?

The price of this solar panel is around BDT 20000 to BDT 21000. You can claim discounts at IPS Bazar BD. This high-efficiency panel delivers 540 watts of power. It comes with 20.9 percent efficiency. It is exceptionally ideal for larger homes with high energy demands. However, it has a premium price tag to reflect its durability.
