

Hope energy group Monaco

Who is Hope Group?

Hope Group (or Gruppo Hope) is a new company operating in the renewable energies sector, with its operational headquarters in Puglia. Its main activity is the integration into the renewables industry of green hydrogen, which is held to play a key role in the penetration of renewable energy into the electricity market.

Who is Gruppo hope?

He is the inventor of some of the most innovative public film funds in the audiovisual sector, as well as marketplaces and project incubators. Partner and head of communication & corporate identity of Gruppo Hope, is also partner and creative director of the production company Fidelio.

How does Gruppo Hope work?

Gruppo Hope is able to rely on the scientific and technological support of the Technical University of Bari and on collaboration with high-level national and European research centres, such as the University of Strathclyde, in Glasgow, which is considered one of the best in the field internationally.

Why did Hope Group strengthen its partnership with Galileo?

Hope Group CEO Michele Scoppio said: "We are enthusiastic and satisfied for having strengthened our partnership with Galileo. "This confirms the validity of our collaboration and the synergies arising from it, thanks to which we developed competencies making us a reference in the growing Italian offshore wind market.

Galaxy Energy Group Ltd. (LEI# 2549003WRAM1SS3NGF91) is a legal entity registered with Bloomberg Finance L.P.. The address is c/o GEG Management SAM, 7, Rue Du Gabian, Gildo Pastor Center, Monaco, MC-FO, MC98000, MC.

In Hope Group's vision, offshore wind technology will be one of the key driving forces in the attainment of our country's ambitious goal of achieving net zero emissions (a balance between the amount of greenhouse gases produced and the amount removed from the atmosphere) by 2050. In fact we believe that, for Italy, floating offshore wind is the best way to rapidly increase the ...
