

Hospital microgrid Turks and Caicos Islands

Where are the emergency departments located in the Turks & Caicos Islands?

The Emergency Departments of both facilities of the Turks and Caicos Islands Hospital (at Cheshire Hall Medical Centre in Providenciales and Cockburn Town Medical Centre in Grand Turk) support our acute-care Hospital. Our Maternity Unit provides family-friendly care for women during pregnancy and childbirth.

Who manages the hospital in Turks & Caicos Islands?

The public hospital is managed by InterHealth Canada on behalf of the Turks and Caicos Islands Government through a Public-Private Partnership agreement.

Why does the cost of healthcare increase in Turks and Caicos?

Our diverse and experienced team of doctors, nurses and physicians are always committed to providing compassionate care to patients, and delivering service with a smile.. The cost of healthcare in Turks and Caicos increases due to changes in patient admissions, population growth and changing healthcare needs.
